Response to Amendment

The amendment received 10/18/10 has been entered in full.

Response to Arguments

Applicant's arguments, see pages 12-14, filed 10/18/10, with respect to the claims have been fully considered and are persuasive. The rejection of the pending claims has been withdrawn.

Election/Restrictions

Claims 75-81 are allowable. The restriction requirement, as set forth in the Office action mailed on 04/16/10, has been reconsidered in view of the allowability of claims to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.** Claims 50-51, 53, 67-68, and 70 are no longer withdrawn from consideration because the claims requires all the limitations of an allowable claim.

In view of the above noted withdrawal of the restriction requirement, applicant is advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application.

Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Allowable Subject Matter

Claims 40-42,46-55,57-59,63,65-72, and 75-81 are allowed.

The following is an examiner's statement of reasons for allowance: the claim limitations added to the independent claims were objected to in the previous office action as containing allowable subject matter in dependent form. As the claims have now been placed in independent format they are therefore allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JOHN B. STREGGE whose telephone number is (571)272-7457. The examiner can normally be reached on Monday-Friday between the hours of 8-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Bhavesh Mehta can be reached on (571) 272-7453. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
